## *Notes from Mrs. Marshall*

The School Year is completed for 2006-2007. Tests are done, grades recorded, awards presented and we ended with an All School Mass to begin summer vacation. It may seem like a long time from now until August 19<sup>th</sup> when we will gather at school to pick up our packets for next year. Start now reading a good book, visiting museums and other interesting sights St. Louis has to offer. The Science Center is an amazing place for everyone young and old and they have an incredible IMAX theater. The Art museum has real mummies to study. The History Museum is filled with artifacts and much more. Of course the St. Louis Arch also has a history section on Lewis and Clark and you can see a real teepee, and stuffed life-like animals. Cardinal Stadium offers tours and of course you must see some baseball! There's swimming, sports, camping, fishing, caves, and of course the Botanical Gardens. Remember to picnic at some of the concerts in the park.

The main thing is rest, read and have fun. Enjoy the time off and come back ready to share your adventures.

**\*\* Special CONGRATULATIONS to Michelle Allen and Daniel Breihan the winners of the St. Martin of Tours CYC Scholarships. Thank you for your outstanding good sportsmanship, team spirit, and athletic achievement. You have made our school proud!**
