

SAINT MARTIN OF TOURS

Holy Spirit Shine on Me

Volume 1, Issue 6

October 5, 2007

The student letters applying for the Ambassador program were very impressive. Here are a few quotes from the applications listing reasons why they would like to be an SMT Ambassador:

"The reason I would like to become an ambassador is because I love St. Martins. I like everything that we do. I like the fundraisers, dress-down days, Field Day, and especially the School Picnic. I would like to show other kids that this is a great school."
"I love to help out my school in any way I can. I know and respect my fellow classmates and are there for them in their time of need."
"I am annually on the Honor

Roll... I want to help set up for special events going on at school. I want to show new people our school... "I respect the teachers and students..."

It is my privilege to announce the 6th Grade Ambassadors; Christina Allen, Drew Bollinger, and Isaiah Malin. Congratulations on your outstanding commitment to your school.

Dr. Jeannie Hurocy has offered our students in grades 2-6 an opportunity to receive a free dental screening, hygiene instruction, and fluoride varnish. Each student who completes the paperwork will receive a prize whether they say yes or no to the screening. The paperwork

will be sent home next week.

The **Technology Committee** met and plans are underway to help install the new donated computers and make repairs to our existing system. Thank you to Mr. Haber and Mrs. Lato for attending the meeting and helping with the project.

The first School Families event took place last Wednesday, Oct. 3rd. Every teacher is assigned a mix of students from each grade. This activity was a "Meet and Greet" in order for students to get to know each other and their Family teacher. An event is planned for each month of the school year to help develop a spirit of friendship and comrade among all students. It is also a time to share a snack and conversation with students you may not encounter during the regular school day. Many families played games, shared stories, or just had time to talk. Our next activity will be a pumpkin decorating contest.
